Life is a celebration that's gone in a flash, so make sure you seize a glass. Celebrate by getting together and raising two glasses of Verdejo.

Our winemakers Olga Tormo and María Barúa got together to create something memorable. Olga, resident in the DO Rueda, represents Castilian rigour, and María the essence of LAN. Together, they created this refreshingly delicious verdejo to allow you to say yes to celebrating every moment, to living more, to disconnecting and reconnecting with yourself.

White – Verdejo 2025

GRAPE VARIETY

100% verdejo. Say yes to keeping things simple and being true to yourself.

VINEYARDS

Between Los Llanos, the Avutarda Estate and El Gato, the difficult thing is choosing between vines of between 17 and 30 years of age, the easy part is letting every drop tell its own story.

2025 GROWTH CYCLE

The winter was mild and was followed by a rainy spring. Summer was marked by a long heatwave in August. The favorable weather conditions during the harvest season resulted in excellent fruit health. It's time to say yes to trying something special.

WINEMAKING AND AGEING

An adventure in a bottle: harvesting at night, macerating at low temperatures and working with battonage to give a rounder mouthfeel.
