It's time to : share a smile.

Sharing is the secret to making good times even better. This rosé is not just a wine, it is your partner in transforming the everyday into something special, with that touch of style and happiness that you so deserve.

Rosé 2025

GRAPE VARIETY

65% tempranillo, 13% garnacha blanca, 22% viura. Yes to blends that make you smile.

VINEYARDS

Selected vineyards in the Rioja Alta and Rioja Alavesa. Vines of between 10 and 20 years of age on chalky clay soils. Perfect balance, in your hands.

2025 GROWTH CYCLE

One of the warmest years on record, with an especially hot August causing water stress in the plants and an early harvest compared to recent years. One of the shortest harvests in history. Meanwhile, we were thinking about all the happy moments we were going to bottle.

WINEMAKING AND AGEING

The difficult thing is harvesting by hand, macerating for just the right amount of time to achieve that unique pink hue and fermenting at low temperatures. The easy thing is seeing how that pink tone lights up the table as the wine reveals its perfumed character.

TASTING NOTES

COLOUR: Rose quartz, as clean and bright as the perfect summer afternoon.

NOSE: As fresh as those red berries and citrus and floral notes that make you smile for no apparent reason.

PALATE: The attractive aromas give pleasure with a rich and luminous flavour. A fresh, full-flavoured wine that is straightforward and easy-to-enjoy. Expressive, with a richly flavoured finish that invites you to say yes to another glass.

PAIRINGS

For when you meet up for some tapas, but end up celebrating life. Or you organise a barbecue that ends up being the best of afternoons. Or you find a bar terrace that is so lovely that you never want to leave.
